CFU Learning Exchange (LX)

To use the LX, an instructor's benefits and courses must be active. Benefits begin when an instructor attends a new teacher orientation and stay active with their classes. If a class rests for more than 3 months, benefits rest as well.

The LX list below is updated with each catalog cycle. Changes may occur at any time, so please call the Registration office at 303-399-0093 x0 to register.

To use the LX, call the day before the class you want to take. If the class is running and there is space, a registrar will enroll you in the class and email you a ticket. You must bring your ticket and materials fee, if any, to class with you.
